

# Chapter 1

## First Chapter

---

After studying this chapter you should be able to:

- describe the role of local rescue squads in cave rescue;
  - describe when the immediate callout of the NSW Cave Rescue Squad is required;
  - list the list the information which should be sought in making a surface assessment of a cave rescue incident.
- 

## List of Objectives

describe the role of local rescue squads in cave rescue; . . . . .	1
describe when the immediate callout of the NSW Cave Rescue Squad is required; . . . . .	1
list the list the information which should be sought in making a surface assessment of a cave rescue incident. . . . .	1
